# Material Safety Data Sheet (MSDS)

Date of creation: June 11, 2019

#### 1. Product and Company Information

Product name : BELL CLARO

Company name : Suzuki Kikoh Co., Ltd.

Address : 316-3 Matsuhidai, Matsudo-shi, Chiba, 270-2214

TEL : 047-385-5311 FAX : 047-385-5313

# 2. Composition and Component Information

Chemical Name or Generic Name	Component and Content by Percentage	CAS#
Water	< 95.11	7732-18-5
Isopropanol	< 4.5	67-63-0
2-Butoxyethanol	< 0.2	111-76-2
Benzenesulfonic acid, dodecyl(sulfophenoxy)-, disodium salt	< 0.19	36445-71-3

#### 3. Riskiness and Harmfulness Classification

Harmfulness : None

Riskiness : There is no information applicable to the category of riskiness and harmfulness.

Environmental impact : There is no information applicable to the category of riskiness and harmfulness

#### 4. First-aid

In case of inhalation : Move to a place with fresh air. Seek medical advice as necessary.

If breathing is difficult, inhale oxygen. If inhaled, do not give

mouth-to-mouth artificial respiration.

If not breathing, give artificial respiration and seek medical advice.

In case of skin contact : If a change in appearance is observed or if there is irritation/pain,

seek medical advice when feeling unwell.

In case of eye contact : Wash eyes with plenty of water and seek medical advice immediately.

In case of swallowing : Do not swallow vomit. Do not allow vomiting unless instructed to do so by a doctor.

Allow the person concerned to rest and immediately contact a doctor.

# 5. Fire Measures

Firefighting method : Use the best firefighting agent to extinguish a fire in the surroundings.

Unusable firefighting agents: No data

Fire riskiness : There is a possibility hazardous combustion gases or fumes may be emitted during a fire.

Protection for firefighters : Wear appropriate protective equipment (gloves, glasses and masks) when fighting a fire.

#### 6. Leakage Measures

Storage

Precautions for people : Provide adequate ventilation.

Environmental precautions: Take action based on environmental abandonment.

### 7. Handling and Storage Precautions

Handling : Do not approach, inject or heat things which may cause fires or ignition.

humidity and shielding from light while avoiding fire and other dangerous places.

: Store in a cool and dark place paying attention to the temperature,

### 8. Exposure Prevention and Protective Measures

Control concentration : Not applicable
Allowable concentration : Not applicable
Facility measures : Not applicable
Protective equipment : Not applicable
Protective glasses : Not applicable
Protective gloves : Not applicable

#### 9. Physical and Chemical Properties

Physical State

Form : Textile

Color : Light blue

Odor : None

oH : 6.5-7.5

Boiling point : —

Flash point : —

### 10. Stability and Reactivity

Stability : Stable under normal conditions. Hazardous decomposition products are not formed.

Reactivity: Hazardous polymerization does not occur.

# 11. Hazard Information (Including Cases and Epidemiological Information for People)

Skin corrosiveness : None
Irritation : None
Sensitization : No data

Acute toxicity :

Chemical Name or Generic Name	LD50 oral-rat
Isopropanol	mg/kg
2-butoxyethanol	mg/kg

Subacute toxicity : No data
Chronic toxicity : No data
Carcinogenicity : No data
Mutagenicity : No data
(Microbe and chromosomal abnormalities)
Reproductive toxicity : No data
Teratogenicity : No data

# 12. Environmental Impact Information

Degradability : No data
Accumulative properties : No data
Fish toxicity : No data

#### 13. Disposal Site Precaution: Comply with related laws, regulations and ordinances when incinerating.

# 14. Transportation Precautions

UN number : Not applicable
Official transportation item : Not applicable
Hazard classification : Not applicable
Container grade : Not applicable

# 15. Applicable Laws : None

The content of this MSDS has been prepared based on materials and data available at the present time.

It may be revised due to new findings. In addition, the precautions apply to normal handling.

In the case of special handling, use upon taking safety measures suitable for the application and usage.

The content of this MSDS is provided for informational purposes only and is not guaranteed.
